

# GROW it!

“was an opportunity to have other minds focus 100% on my business and issues and then offer relevant suggestions and feedback.”

GROW it! is a 4 week class designed to help you to tackle a significant business challenge or growing pain in good company!

Connect with a group of women business owners to:

- Advance your business
- Break the pattern of thinking in isolation
- Leverage the collective wisdom and experience of others
- Learn from others' challenges, business decisions, and models

GROW it! utilizes a unique case study presentation model to give each participant:

## HONEST FEEDBACK

“gave me different and more honest to get feedback from strangers. [This class] helped me to hear the things they said.”

## FRESH PERSPECTIVE

“offered affirmation for my ideas, and gave me direction on how to develop them.”

## NEW APPROACH

“helped me see outside my usual micro focus ways and recognize things about me/my business that I’m completely blind to!”

## INNOVATIVE IDEAS

“offered fresh and worthy ideas from a group of smart women who genuinely seem to want to help.”

## TRUSTED RESOURCES

“focused my thinking and gave me some ideas and resources I wouldn’t have thought of on my own.”

Each GROW it! class is limited to 8 IGC Members who have been in business for more than 6 months.
